COGS 2340: Pragmatics Assignment   Name:

1. Sample dialogue

1 Josh: Do you have a dog?
2 Greg: I don't have any pets.
3 Josh: Well, my dog found some chocolate, do you know where I can take her to the vet?
4 Greg: Yes.
5 Josh: Thanks a lot for your help.
6 Greg: Whatever, dude. What are you gonna eat for lunch?
7 Josh: I have to go to the vet right now.
8 Greg: I see… do you mind closing the door on your way out? I'm freezing my ass off here.

Use the above dialogue and list…

A. Two lines that have **entailments** (and the entailments)

B. A line that generates an implicature based on the Maxim of **Quality** (and the implicature)

C. A line that violates a maxim **uncooperatively** (and what maxim does it violate?)

D. A line that generates an implicature based on the Maxim of **Relevance** (and the implicature)

E. An example of an **indirect speech act** (list the line, what its formal speech act type is, and
   what its functional speech act type is)
